Documents 2, 9, 12 and 14 through 18 listed were cited in the PCT International Search Report and International Preliminary Examination Report issued on the international phase of this application. Copies of the ISR and IPER should have already been provided to the Office by the International Bureau, and the relevance of the documents is believed to be as explained therein. Copies of documents 2, 9, 12 and 14 through 18 are not being provided with this statement, as these should have already been provided to the Office by the European Patent Office acting as International Searching Authority. See MPEP 1893.03(g), third through fifth paragraphs. Applicants would be pleased to provide further copies on request.

The documents are cited on the attached Form PTO-1449 substitute in the order (within categories) of their citation in the ISR.

No English translation of documents 16,22,25,27 and 28 are known to Applicants.

No representation is made by this Information Disclosure Statement that a search has been made; or that the information disclosed is, or is considered to be, material to patentability under 37 CFR 1.56(b).

Respectfully submitted,

Derek P. Freyberg
